Recess Information:

The schedule time for all of the students to go to recess is 11:53. When the weather is nice, all will go outside with exception of those in grades 5-12 who can opt for the library. When the weather does not permit going outside, then they will go to the gym [grades 5-12 can opt for the library].

Students in grades 4K-5K will leave at the same time--the time when Ms. Lee deems appropriate.
